A Message from Debbie:

Dear Friends,

As disciples of Jesus we are called to make decisions and we are challenged as to where our priorities lie. Jesus was tempted in the wilderness to set different priorities for his life and this is part of what Lent is about - and the work of mission. Also as we journey towards Holy Week we reflect on the past and look forward.

In the life of our church there are many opportunities times that lie ahead and there will be challenges too. Jesus, once he had his priorities clear, was able to go on and live as called by God.

When we ease out of lockdown may we set our priorities right as God's Church, God's people. In the wilderness story of the New Testament in the Bible, there was also time for rest, and I pray that we have used our time for rest wisely; for the Church there is always tomorrow, we are called to walk on...called by God and inspired by God.

May this Season not be a vacuum of time and space; rather may it be filled with the hope that comes through the journey of faith each and every day.

God bless you all.

Love, Debbie
